

Delamere Parent Council 2019

YOU SAID

1. You would like training on the Trafford Directory
2. Rather than a home school agreement you would like a welcome pack as you start school, giving basic information such as school day and uniform.
3. Can we develop online consents rather than paper ones?
4. You would like Councillor Freeman to come to a meeting to discuss the proposed transport changes
5. You would like a uniform swap shop or a chance to donate outgrown uniform.

WE DID

1. We arranged for the Family Information Service to come to parents evening and demonstrate how to navigate the website.
2. We are developing a welcome pack.
3. We invested in Parent Mail allowing the majority of consents to be done online.
4. We arranged for him to come to the next meeting.
5. We sent a flyer out to families and then had the donated uniform available at the summer fair and the new parents coffee morning
